ONE-STOP FULL-SCOPE EXTERIOR INSTALLATIONS & DESIGN SERVICES

Welcome to our magazine showcasing some of our work in Lake Bonavista, Willow Park, Parkland, Kelvin Grove and other nearby communities. The RidgeCrest brand is BEAUTIFUL EXTERIORS MADE EASY, providing homeowners with inspired design and attention to detail workmanship. What sets RidgeCrest Developments apart is our no-stress, no-headaches, unparalleled service for clients. We provide in-depth industry knowledge, excellent communication and responsiveness from start to finish resulting in timely, cost-effective, and aesthetically smart exterior installations that consistently “wow” our clients. Our biggest strength, however, is our professional team of installers who never fail to impress with their pride in workmanship and solid work ethic.

We encourage all potential clients to view our work, speak with our references, and call us for your exterior installation needs. Take a “RidgeCrest Tour” to confirm the top-quality service and talent that our RidgeCrest Team offers.

- **Broad experience consulting on exteriors design and renderings, with home additions and modifications as discussed**
- **Current building envelope knowledge and practices**
- **Prompt and informed communications and responsiveness to client needs**
- **Professional and collaborative client consultations on aesthetics, function and value**
- **Active network of industry professionals and trades – electricians, plumbing and gas fitting, drafting and permit services and engineers**

SIDING

Brilliant exterior cladding choices combined with select accents for a low maintenance high curb appeal result.

- James Hardie Lap Siding, Staggered and Straight Edge Shingle, Panel and Trim Systems
- Rigid Extruded Aluminum Longboard and AL13 Aluminum Siding with beautiful premium finishes
- Premium Vinyl Siding and Aluminum Rainware
- LP SmartSide Panel and Trim

WINDOWS AND DOORS

Fully-qualified installers for best practices in building envelope installations.

- Lux, Supreme: Dual and Triple Glazed PVC and Extruded Aluminum Windows
- Lux, Supreme, Codel, Pella: Full range of entry and patio door systems
- Custom finishing on fibreglass and wood door systems

STUCCO

This premium exterior cladding system requires fully-qualified installers to ensure a long-term result.

- ADEX EIFS (Exterior Insulation and Finish System) Stucco (highest product warranty available), with perfectly smooth walls and added high R value.
- ADEX Traditional Stucco Systems – as a full system or as an excellent overcoat refinish on existing stucco

If We Could Rate Them Higher Than 10, We Would!

100% we would recommend RidgeCrest to anyone looking to upgrade their exterior! Their workmanship and client service is outstanding.

– Trisha and Colin

ROOFING

Choose roofing products with a proven track record for wear and wind with an extensive range of function and design options.

- GAF, CertainTeed, Malarkey, Owens Corning: Architectural and Laminate Shingles
- EDCO, Westform: Metal Roof Tiles and Panels
- Boral: Clay and Concrete Tiles
- DaVinci, Inspire, Euroshield: PVC and Rubber Roof Tiles

PAINTING

Best in quality paint sourced to meet the specific exterior cladding or trim to be painted.

- All surfaces fully cleaned and prepped prior to painting
- Elastomeric paint for a bold revitalizing of tired looking traditional stucco
- Exteriors on aluminum and wood windows, fibreglass, wood and metal doors expertly refinished
- Premium cedar/wood siding beautifully refinished

We are so pleased with the final result – it has completely transformed our home! The crew was quick, polite and very clean. Also went the extra mile on small finishing items. We are so happy!

– Taylor

DECKING AND RAILS

All installed with code complaint drainage and substrates.

- Azek, Timbertech: Deck Boards, PVC and Spindle railings
- Aluminum and Cedar railings
- Tufdek, DeckSmart: Vinyl Membranes
- Cedar Deck Boards

“They were professional, polite, respectful and hard working. I would recommend RidgeCrest to anyone looking to update the exterior of their home.”

– Justin

STONE VENEERS

Expert consultation on stone selection and scope of install choices to maximize your investment to aesthetic value.

- Stone Concepts, K2, Ecostone: Real Stone Veneers
- El Dorado Architectural Stone Veneers
- I-XL Brick and Masonry

RECENT REVIEWS

NEW DECK AND EXTERIOR RENO » 10/10

A wonderful experience from start to finish, timely follow up. Crew was excellent right from David through entire team. Communication was excellent throughout, even with delays in materials, they communicated every step of the way. The crew from Peter, Cam, Miron, Craig were all professional and carried themselves like the company was their own.

We would definitely recommend RidgeCrest to anyone looking for exterior work. They made our vision come to a beautiful reality and we are so happy.

Thanks David and Team.

– Cam & Michelle

EXTERIOR HOME RENOVATION » 10/10

We are extremely happy with RidgeCrest Developments and our exterior home renovations.

David's vision, planning and execution of this project exceeded all expectations. The transformation of our 1976 home into a modern and beautiful version of itself is outstanding and all is in step with the neighborhood and our surroundings. David listened to our needs and preferences but offered valuable suggestions for which we are truly grateful. The quality of the workmanship and attention to detail elevated this project to a gold standard.

Kris and his crew worked tirelessly to keep the project moving in a timely manner. I admire the work ethic of this team and the job site was always cleaned up at the end of the day. Doug was an important player. He does specialize in windows and doors but he did so many things and was consistently checking in as did Cam which we really appreciated. Miron who painted is a master at his profession.

As with many homes of this age we discovered rot above the garage door and under the balcony. Peter and Josh showed up after already working on other projects to work tirelessly to keep us on track and they did. They did a great job!

I highly recommend RidgeCrest Developments. David is a trusted partner and his crew delivered a superior renovation on time and on budget. I cannot say enough good things about this experience.

We are so thankful to have found David and RidgeCrest Developments.

– Jocelyn and James

MAJOR UPDATES TO WINDOWS, DOORS & SIDING » 10/10

For the last 15 years, we've watched RidgeCrest complete projects in our neighborhood that updated house exteriors into stunning contemporary showpieces, on par with new builds. We knew when the time came to complete some major updates to our windows, doors, and siding, that we wanted them to be a part of the process.

Their commitment to build quality is outstanding. David/Randy provided top shelf vision and expertise in terms of planning and design. But special mention go out to Craig, Miron, and Doug as the craftsmen who completed much of the work themselves. Craig did much of work itself, with precision Scottish workmanship. Doug assisted Craig, and provided outstanding knowledge of windows and doors (which was a big part of our project). Miron's wood effect staining on fiberglass is true artistry!

In addition to build quality, what makes RidgeCrest really stand out is their sense of design - they simply know what's going to look great. As our project went on, we as homeowners went from being "hand on" - to more "hands off", trusting RidgeCrest to make better color and materials choices than we would.

– Chris

EXTERIOR HOUSE RE-MODELLING AND UPDATE » 10/10

We hired RidgeCrest to completely remodel the outside of our home in November 2022. The job was completely transformational and replaced aluminum siding, eaves, lighting, soffits, window frames, paint and our front step. The completed job is amazing and removed the weathered look the home previously had. The Hardie board, cedar soffits and pot lights modernized the house. The install team led by Kris were incredible and worked through many days that were -15 to -20 outside... unbelievable!

A big thank you to David for always being there whether it was via text, phone or on-site when advice was required.

First class experience for us.

– Chris

EXTERIOR HOUSE RENO » 10/10

We are thrilled with the outcome of our home with new Lux windows and James Hardie siding thanks to the wonderful quality of work from Ridge Crest Developments. David and his superb team worked hard, expertly and together as a team. They brought our 50 plus year old home into the 21st century. Their craftsmanship was superb and we would recommend anyone to contact David at Ridge Crest and make your home beautiful.

Thank you David and all your team players.
